MORE INFORMATION

MEALS

NYFRF recommends that Legislative Day attendees purchase breakfast items before entering the Capitol Complex or at one of the Concourse cafeterias before the event. You are welcome to bring food and beverage items into the Convention Center. Coffee, tea and water will be provided in the convention hall throughout the event. A box lunch (sandwich or salad, chips, cookie and bottled water) can be pre-purchased for \$15.00. If you do not want to purchase a box lunch you may either find lunch at one of the concourse cafeterias or bring your own from home.

DRESS CODE

Please keep in mind that you will be representing Christ before your elected officials. Modest business attire is requested.

CAPITOL SECURITY AND PARKING

NYFRF recommends parking in the garage located beneath the Empire State Plaza in the V-Lot. This parking area is accessible through the I-787 Empire State Plaza exit. Visitors are required to show photo identification upon entry and (though rare) all vehicles are subject to search by the State Police. The parking fee is \$10 per vehicle. Plan to arrive before 8:00 AM to find adequate parking. Additional parking information is available at NewYorkFamilies.org.

OVERNIGHT ACCOMMODATIONS

Previously, NYFRF has negotiated special Legislative Day rates at the Albany Ramada Plaza (3 Watervliet Ave. Extension, Albany, NY 12206). Unfortunately, for various reasons, we will no longer be holding a block of rooms at this hotel. However, if you have enjoyed staying there in the past, you can still reach the Ramada at (518) 438-8431. Additionally, Homewood Suites by Hilton Albany (216 Wolf Rd, Albany, NY 12205) at (518) 438-4300, Hotel Indigo (661 Albany Shaker Rd, Latham, NY 12110) at (518) 869-9100, and Renaissance Albany Hotel (144 State St, Albany, NY 12207) at (518) 992-2500 are three other possibilities.

LEGISLATIVE DAY REFUND POLICY

Upon request, NYFRF will provide refunds to persons who have purchased tickets for Legislative Day, providing that the refund request is communicated to our office no later than seventy-two (72) hours prior to Legislative Day. NYFRF does not provide refunds based upon inclement weather, as our financial obligations for Legislative Day (including the cost of renting the Empire State Plaza Convention Center) remain the same regardless of weather conditions. NYFRF appreciates your understanding and support in regard to our refund procedure.

WHERE DO WE GO FROM HERE?

Daniel 2:21 reminds believers that God changes the times and the seasons. He places governmental leaders in positions of power, and He removes them. New York has entered a new season of governmental authority. Political power resides with those who do not share our values, and it's reflected in the tragic turn our state is taking. Yet, just as God called Daniel to stand firm in a land that did not share his values, God is calling us to declare truth to a culture often at odds with Christian faith.

In this new season, God has a plan for our state. Through special speakers, panel discussions and public witness, we'll lay out a plan for the future of the pro-life movement in New York and across the nation. Come. Catch the vision for a state where God is honored, religious freedom flourishes, families thrive and life is cherished.

Join us at Legislative Day 2019 - Show legislators a vibrant, pro-life New York!

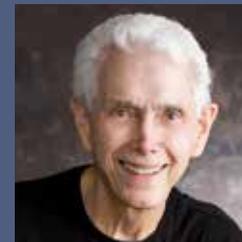

GROUP COORDINATORS

(Bringing Groups of Ten or More) For every group of ten, an eleventh person attends free! You may register your group by postal mail using the downloadable form at our website or register online at NewYorkFamilies.org.

Gianna Jessen,
ABORTION SURVIVOR
AND PRO-LIFE ADVOCATE

Gianna Jessen is a living, breathing face to the horrors of abortion. She's one of the rare survivors and frequently relays her story—speaking for those who can't speak for themselves. She's testified before Congress four times and watched as President George W. Bush signed the Born Alive Infants Protection Act, which provided safeguards for those born during failed abortions. The failed abortion had also provided the "gift" of cerebral palsy, as she calls it: "It allows me to really depend on Jesus for everything."

Walt Heyer,
MINISTER TO THE TRANS-
GENDER COMMUNITY

Walt Heyer's fascinating story is told in his autobiography, *A Transgender's Faith*, and has been the subject of numerous documentaries. Heyer's transgender feelings started as a boy when he was four years old. Later, in his early forties, after marriage, children and a high-flying career in the auto industry, he underwent gender change surgery and lived as a transgender woman for 8 years. He detransitioned back to male over 25 years ago and now brings a message of hope to others who want to know how to detransition like he did. Heyer unapologetically refused to live out his life as a transgender female. Instead, he looked to Jesus Christ and was redeemed and restored to his male identity and lives happily with his wife of 21 years.
